For Us, It’s A Mission
At Mylan, we mean it when we say we work every day to provide access to high quality medicines to the world’s 7 billion people. If you are unconventional, relentless and passionate. If you believe in doing what’s right, not what’s easy. If you are a doer and have a passion for serving others, we want to talk to you.

Make a Difference
At Mylan, each person has the ability to make a difference. From the providers who sell and market our products to the producers who develop and manufacture them and finally to our business partners who support the providers and producers, we all have a mission critical role. Here’s how this role as Financial Analyst - Europe, Intern will help:

• Assist in designing a robust European planning process (Budget, Forecast, and Strategic Plan), improving effectiveness and reliability of financial information.
• Support in the preparation of key reports for management and financial stakeholders.
• Support management of Financial Planning IT system.
• Coordinate with local finance managers and other stakeholders.

Make Our Values Your Values
Mylan hires only the best. People who thrive in a culture of innovation and empowerment. People who are active learners and have a positive attitude. People who are leaders and know that by working together we can run faster, reach higher and achieve more. By doing so, we will continue to set new standards in health care. Here are the minimum qualifications and essential functions for this position:

• Currently studying for a Master's degree (preferably in Finance / Accounting / Economics / Management). Work experience from previous internships etc. is required. Pharmaceutical industry experience is highly desired.
• Ability to work independently and communicate with multiple stakeholders within the organization at an international and multicultural level. Work under strict deadlines.
• Analytical, organizational and team-working skills are required.
• Advanced expertise in Microsoft Excel is mandatory.
• Proficiency in speaking, comprehending, reading and writing English is required. Another EU language would be a plus.

The position of Financial Analyst - Europe, Intern is full time and the duration would be 1 year. After the end of the internship various opportunities may arise to prolong the experience based on needs, availability and performance.

Ideally, applicants should be available to start from June 2018. This position is part of the EU Finance Team based in the EU HQ in Switzerland. Currently, the head office is in Zurich-Oerlikon. The company plans to relocate its location from Q3 to the canton of Zug.

Please submit your application exclusively in electronic form via our application tool (https://mylan.taleo.net/).
