Department overview
Nomura’s investment banking division provides a vast array of advisory and capital-raising solutions to corporations, financial institutions, governments and public-sector organizations around the world. Our global teams act as geographic, product and industry specialists, with a focus on domestic, regional and cross-border collaboration in M&A, DCM, Equity advisory and solutions businesses. Our global sector teams include Consumer, FIG, Industrials, Natural Resources and Power, and Financial Sponsors.

The Frankfurt office is covering German clients: providing its M&A expertise as well as the full set of solutions in partnership with sector and product specific teams. In order to capitalize on its strong momentum and significant deal flow, the German team is looking to hire an Analyst who can support the strong growth witnessed across its client franchise.

Role description:

- Typical work includes a mix of execution and client coverage including: financial analysis, financial due diligence, process management and client deal team interaction.
- Required to co-ordinate and work with all other product, geography and industry teams, including: M&A, Leverage Finance, Debt Capital Markets and Equity Advisory, Structured and Risk solutions (e.g., IR or FX derivatives).
- Opportunity to work on a range of transaction types including: sell-side M&A, buy-side M&A, equity raising and leveraged buyouts

Desired profile, qualifications and knowledge required:

- A background in Corporate Finance from either a bank/ boutique advisory firm or the Corporate Finance, Modelling and Valuation, Transaction Services groups of a large accounting firm would be a plus
- Proven exposure to financial modelling (potentially including operating models, merger models, LBO, etc )
- Strong communications skills: ability to interact confidently with banking professionals and clients
- Outstanding analytical skills, including ability to perform data analysis
- Team work: experience of working in a project based environment with tight deadlines
- Strong academic record
