

Fact Sheet

20 December 2021

Tasks to Prevent the Spread of Covid-19 during Courses at UZH

Using this fact sheet, organizers are required to ensure that the guidelines for avoiding Covid-19 infections are observed. If required, they must point out the applicable rules to participants either at the start or during the event. Organizers must ask participants who do not comply with the rules to leave the venue, or must stop the event if necessary. All courses are subject to mandatory Covid certificates (3G).

Organization, Information and Ventilation	Implemented
Have people with obvious symptoms of Covid-19 ¹ been denied participation in the course and sent home? Common symptoms include: <ul style="list-style-type: none"> – Symptoms of acute respiratory illness (sore throat, (dry) coughing, shortness of breath, chest pain) – Fever – Sudden loss of smell and/or taste 	<input type="checkbox"/> Yes <input type="checkbox"/> No
Have people without a valid Covid certificate (3G) ² been asked to leave the room, and has appropriate action been taken if they refuse to do so? <ul style="list-style-type: none"> – Teaching staff are not responsible for carrying out checks³ for their lectures, but may do so if they believe it is necessary. – Special provision apply to examinations (e.g. full checks of certificates). 	<input type="checkbox"/> Yes <input type="checkbox"/> No
Are all participants wearing masks ⁴ ? The following people are exempt from this requirement: <ul style="list-style-type: none"> – People with a doctor's certificate that exempts them from having to wear a mask. – Speakers if social distancing (1.5 meters) can be observed. 	<input type="checkbox"/> Yes <input type="checkbox"/> No
Have windows (if possible) been opened before the course and during the breaks for 5-10 minutes to ventilate the room?	<input type="checkbox"/> Yes <input type="checkbox"/> No
