## ● @ UZH KOL-K

A photograph of a university courtyard. In the background is a large, multi-story building with a curved facade and many windows. In the foreground, there is a sculpture consisting of several tall, thin, arched metal structures. A group of people, including students with backpacks, are walking and sitting on a stone ledge in the courtyard. There are green bushes and a large tree on the right side. The sky is blue with some clouds.
