10 September 2020

Checklist for attendance events

Wearing masks
− As in all of UZH's publicly accessible interiors, masks are worn on the way to and from the seats.
− Lecturers may ask students to wear masks also in other situations, if this seems appropriate.

Keep distance (1.5 metres)
− Only the marked places in the event room may be used.
− No more people than permitted may be present in the room. The notice indicating the maximum occupancy is placed in front of the room entrance.

Ventilation
− Rooms will be ventilated for 5 to 10 minutes before the event and during the breaks, if possible.

Stay at home in case of illness
− People with COVID-19 symptoms (respiratory symptoms, fever, loss of sense of smell and/or taste) will be sent home.

Following the rules
− The UZH counts on the personal responsibility of its lecturers and students.
− In the event of breaches of the rules, lecturers may expel guilty students or cancel the course.

Lecturers can request assistance from the Service Centre (Tel. 044 635 41 41) if they have any uncertainties or problems regarding the number of people in the lecture hall or classroom.
