

This is how we protect each other at UZH

We wear masks everywhere at UZH – indoors and outdoors.

We keep 1.5 meters away from other people.

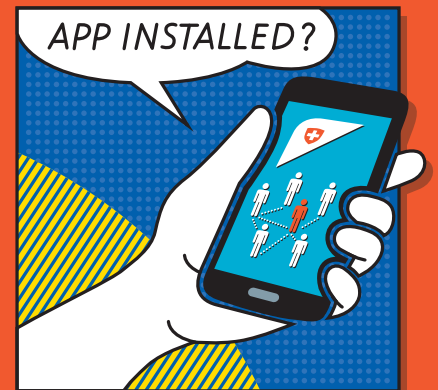

We adhere to the hygiene and conduct rules of the FOPH.

We stay at home when we are ill or have returned from a high-risk area.

We stay away from UZH when we don't need to be on-site (students and visitors).

UZH recommends using the SwissCovid app.

Coronavirus

We take responsibility!
