

## This Is How We Protect Each Other in Study Areas

We clean workstations and seats before sitting down.

We wear masks everywhere at UZH – indoors and outdoors.

We stay at home when we are ill or have returned from a high-risk area.

We keep 1.5 meters away from other people.

We adhere to the hygiene and conduct rules of the FOPH.

UZH recommends using the SwissCovid app.

Coronavirus  
**We take responsibility!**
