### 2 Transcript of rec-

An appeal can be lodged against newly entered achievements after receipt of the transcript of records. In order to lift a ban, you must appeal against the academic achievement that triggered the ban and request to remain enrolled in the corresponding degree program.

2. Information on legal recourse

### 4 Rejection order

The rejection order can be appealed, but only with limited objections; the legally binding grades can therefore no longer be contested. As soon as the rejection order is legally binding, the ban is definitive or reactivated.
