Institute of Parasitology
University of Zurich
Winterthurerstrasse 266a
CH-8057 Zurich

Education

- 08/2014 – **PhD** in Microbiology and Immunology, Institute of Microbiology, Swiss Federal
12/2018 Institute of Technology Zürich (ETHZ), Zürich, Switzerland
- 08/2012 – **Master of Science** in Bioscience, Computational Bioscience Research Center,
06/2014 King Abdullah University of Science and Technology, Jeddah, Saudi Arabia
- 10/2008 – **Bachelor of Science** in Biology, Focus: Molecular biology and Genetics
06/2012 **Second Major:** BSc in Genetics and Bioengineering,
Istanbul Fatih University, Turkey

Research Experiences

- 06/2019 – **Postdoctoral Research Associate**, Institute of Parasitology, University of
present Zurich, Switzerland
- 08/2014 – **Doctoral Research assistant**, Institute of Microbiology, Swiss Federal Institute
12/2018 of Technology Zürich (ETHZ), Zürich, Switzerland
- 05/2013 – **Master Thesis**, Computational Bioscience Research Center, King Abdullah
05/2014 University of Science and Technology, Jeddah, Saudi Arabia
- 01/2013 – **Semester Project**, Computational Bioscience Research Center, King Abdullah
05/2013 University of Science and Technology, Jeddah, Saudi Arabia
- 06/2011 – **Amgen Scholars Program**, Department of Microbiology, Tumor and Cell
09/2011 Biology, Karolinska Institutet, Sweden
