

Research Day of the Doctoral Program Asia & Europe

The Interdisciplinary Doctoral Program Asia and Europe holds a bi-annual research day “Asia & Europe”. The series is especially intended for qualified young academics and establishes an optimal framework for a discipline-specific yet interdisciplinary research dialogue. The Research Day “Asia & Europe” is funded by *swissuniversities* and is designed to promote scholarly exchange between Swiss Universities in the field of Asian-European research. If you are interested in participating, please register with the program coordinator Dr. des. Milena Guthörl
