Possible Revision Requirements

Please enter here the revisions the doctoral student has to incorporate before publishing the dissertation in the Zurich Open Repository and Archive (ZORA). Please leave the field empty if there are no revision requirements.

Important: If the dissertation is graded at least 4 and thus accepted, revision requirements can only be imposed to an extremely limited extent.

Any revision requirements must be incorporated and approved by the Doctoral Committee before publication on ZORA. Without revision requirements, the dissertation can be published directly on ZORA after passing the doctoral examination.
