

Mobility within Switzerland: Minor and Module Mobility

Fact Sheet: Documents to Submit

When filling out the online application form, under the section “documents to submit” you will be asked to upload the documents relevant for your study program. Please provide us with all documents (except your passport photo) in **PDF format**.

Only one file can be uploaded for each point. This means you should please create a single file for multiple-page documents or multiple documents that are thematically linked.

Please upload diplomas and transcripts only unchanged (i.e. in the original downloaded form) to the Application Portal. Any modifications (e.g. by using «Print as PDF», saving under a different name, printing and scanning, merging files, etc.) will result in the loss of any existing electronic signature, which makes digital verification of such documents impossible.
