Fact Sheet: Documents to Submit

When filling out the online application form, under the section Documents to Submit you will be asked to upload the documents relevant for your application. Please provide us with all documents (except your passport photo) in **PDF format**.

Only one file can be uploaded for each point. Please create a single file for multiple-page documents or multiple documents that are thematically linked.

All documents that are not in German, English, French or Italian must be uploaded along with a **copy of an officially certified translation**. Please take note of the [guidance on certified translations](#). Please make sure that the aspect ratio is correct, and edit the photo if necessary. Your head should be photographed in a frontal pose against a neutral background providing good contrast, and it should take up about 80% of the photo.

Please upload these documents only unchanged (i.e. in the original downloaded form) to the application portal. Any modifications (e.g. by using Print as PDF, saving under a different name, printing and scanning, merging files, etc.) will result in the loss of any existing electronic signature, which makes digital verification of such documents impossible.
- **Confirmation of withdrawal from last higher education institution attended²**
If you have not yet completed your studies, you can submit this document at a later date.
- [Confirmation of supervision from the authorized examiner](#)

¹ If you were matriculated at the University of Zurich, you are not required to submit this document.
